DEPARTMENT ORDER NO. 2010-23

**SUBJECT : REVOCATION OF DEPARTMENT ORDER NO. 2005-010**

Pursuant to Executive Order No. 125, the Department of Transportation and Communications (DOTC) is the primary policy, planning, programming, coordinating, implementing, regulating and administrative entity of the Executive Branch of the government in the promotion, development and regulation of dependable and coordinated networks of transportation and fast, safe, efficient and reliable transport services.

The Land Transportation Franchising Regulatory Board (LTFRB), as an agency attached to the Department, follows the latter's directions in the performance of its franchising and regulatory functions.

Department Order No. 2005-10 which empowered the LTFRB to amend or modify, in part or in its entirety, orders issued by the DOTC, is inconsistent with the Department's mandate. Unless revoked, the subordinate agency, that is the LTFRB, may modify, alter or reverse policies, plans and programs of the DOTC for land transportation.

Accordingly, Department Order No. 2005-10 is hereby revoked.

This Department Order takes effect immediately.

23 July 2010.
