DEPARTMENT ORDER: 2011-03

SUBJECT : ALLOWING THE ACCEPTANCE AND/OR PROCESSING OF APPLICATIONS TO OPERATE PUB SERVICES IN ROLL-ON AND ROLL-OFF (RORO) ROUTES

This Department noted the significant reduction in transportation costs through the improvement of the Road RORO Terminal System nationwide. Further, the intermodal public transport services using the RORO facilities have enhanced inter-island connectivity and promoted economic activities in these areas.

In view thereof and to further develop the inter-regional movements of people and goods, the LTFRB is hereby authorized to accept and process applications to operate PUB services in RORO routes subject to the following conditions:

1. RORO Route being applied for shall conform with the Public Transport Route Plan of the DOTC. As such all routes, which are subject of franchise application should be properly endorsed by the DOTC.
2. To minimize traffic congestion within Metro Manila, the RORO-related PUB services shall be restricted from passing through or crossing EDSA with terminal points limited to areas outside of EDSA, except potential PUB routes to/from Cavite/Bataan coasts and the reclamation areas of Manila Bay.

All issuances that are in whole or in part are inconsistent herewith are hereby revoked and/or modifies accordingly.

This Order shall take effect immediately.
