MEMORANDUM CIRCULAR

NUMBER 87-0017

SUBJECT : MOTOR VEHICLE IDENTIFICATION MANUAL

It has come to the attention of the Board that vehicle identification pursuant to the Memorandum Agreement between the defunct Board of Transportation (BOT) and the Bureau of Land Transportation (BLT) approved by the former Ministry of Transportation and Communications (MOTC) with an effectivity date January 1, 1982, has not been implemented properly. This has caused disruption in the normal function and transaction among transport operators.

To clearly define and to clarify doubts, the chassis number and not the engine/motor number shall be considered the basis of motor vehicle identification coming within the jurisdiction of the Board.

November 6, 1987, Quezon City, Metro Manila.
