MEMORANDUM CIRCULAR
NO. 89-625

SUBJECT: Petition for Upgrading of Regular Taxis to Aircon Taxis

In view of the increasing need for additional aircon taxicabs evidenced by the number of petitions for upgrading of regular units to aircondition units and in view of the climatic conditions in the Philippines, the Board, to promote the interest and welfare of the riding public and to keep our taxicab service at par with other Asian countries, hereby authorizes the processing and grant of upgrading petitions as petitions for substitution of units, subject to the following conditions:

1. the petitions for upgrading shall comply with the requirements for petitions for substitution of Taxis;
2. the petitions which shall contain the verification under oath of the General Managers or other corporate/partnership officers of the petitioners if the petitioners are corporations and registered partnerships and of the operators/grantees of the certificates of public convenience subject of the petitions if the petitioners are single proprietorships;
3. the verified petitions shall state the total number of regular units authorized in the certificate (s) of public convenience and their corresponding case (s) numbers;
4. any misrepresentation in the petitions for upgrading shall be sufficient ground for the denial of said petitions and immediate revocation of the authority granted pursuant to this Memorandum Circular if due to such misrepresentation those processing the petitions were misled to act favorably on the petitions, without prejudice to the imposition of the appropriate penalties by the Board;
