MEMORANDUM CIRCULAR  
No. 91-002

Subject: Recalling all Special Permits to Operate in Metro Manila issued in 1990 to provincial bus and tourist operators

Pursuant to the project of the Department of Transportation and Communications (DOTC) and this Board of providing adequate, efficient and safe public land transportation and in response to the acute shortage thereof in Metro Manila in 1990, the Board issued special permits (a copy of which is hereto attached), on different dates in 1990, to various tourist and provincial bus operators, allowing them to operate their vehicles out of line for the duration of the crisis during the said year.

With the operation of additional buses in Metro Manila, all the afore-mentioned special permits issued by this Board in 1990 are hereby recalled and are therefore no longer valid. Any operator who intends to operate outside his authorized route shall secure the regular special permit in accordance with pertinent existing laws, rules and regulations.

This takes effect immediately.
