Board's records show that on the routes/lines opened for PUB application under Memorandum Circular No. 2000-013-A there are pending applications the filing of which have been suspended when the moratorium imposed on the filing of applications on provincial routes entering Metro Manila was in effect.

To manifest their interest in prosecuting their applications, the applicants on the routes identified by their points of origin and common or MMDA-designated terminals under Memorandum Circular No. 2000-013-A should file motions to set aside the moratorium on hearing their applications for the Board to hear said cases.
