MEMORANDUM CIRCULAR
NUMBER 2008- 015

Subject: SHUTTLE SERVICE FOR AIR TRANSPORTATION SERVICES PERSONNEL

On May 26, 2004, this Board has issued Memorandum Circular 2004-016, Re: APPLICATION FOR THE ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE TO OPERATE A SHUTTLE SERVICE, and provided certain guidelines thereof. One of which is the unit classification allowed for this type of service, which limited to Buses, Mini Buses, and Coasters. However, there were clamor from Air Transportation Service providers, domestic and international, for shuttle services other than those allowed by the said Memorandum Circular.

Thus, Application for Issuance of Certificate of Public Convenience to operate Shuttle Service for the exclusive transportation of personnel of Air Transportation Service Providers on NAIA Terminals 1,2, and 3 with the use of Asian Utility Vehicles, Sports Utility Vehicles, Vans, and Sedans are now allowed for acceptance, subject to the following conditions:

1. Shuttle Contract executed by the Applicant and the Air Transportation Service Provider, or Notice of Award from the Air Transportation Service Provider, except when the applicant is the Air Transportation Service Provider;
2. The units proposed to be authorized as shuttle service should be brand new units, or at least have passed the roadworthiness test standards to be conducted by the personnel of this Board;
3. The conditions as provided for under MC 2004-016 which are not inconsistent herewith should likewise be complied with upon filing of the Application;
4. The unit/s authorized should be painted in bold letters the word "SHUTTLE SERVICE" in both sides for proper identification of service; and
5. The fare rates shall be regulated by this Board
