

**MEMORANDUM CIRCULAR
NUMBER 2008- 020**

Subject: AMENDMENT TO MC 2007-040, RE: YEARLY TESTING AND RESEALING OF TAXIMETERS

On November 20, 2007, this Board has issued Memorandum Circular 2007-040, Re: YEARLY TESTING AND RESEALING OF TAXIMETER.

After almost a year of implementation of the said Memorandum, this Board has observed that complaints for fast meter or defective meter have been increasing.

In view thereof, this Board hereby amends MC 2007-040, by reverting to the previous rule pursuant to Section 68 of Revised Order No. 1, Re: RULES AND REGULATIONS FOR ALL PUBLIC SERVICES, that all taximeters shall be presented to the Board (Commission) for testing and resealing twice a year, with the following period scheme:

1. Those units ending with Plate Numbers 1 and 6 shall be tested and resealed on months of January and June depending on the middle number of the unit;
2. Those units ending with Plate Numbers 2 and 7 shall be tested and resealed on months of February and July depending on the middle number of the unit;
3. Those units ending with Plate Numbers 3 and 8 shall be tested and resealed on months of March and August depending on the middle number of the unit;
4. Those units ending with Plate Numbers 4 and 9 shall be tested and resealed on months of April and September depending on the middle number of the unit;
5. Those units ending with Plate Numbers 5 and 0 shall be tested and resealed on months of May and October depending on the middle number of the unit;
