**MEMORANDUM CIRCULAR
NUMBER 2008- 022**

Subject: AMENDMENT ON MC 2006-043, RE: TURN OVER AND SURRENDER OF YELLOW PLATES

It has been observed by this Board that for hire (yellow) plates, which were already dropped from public service as authorized are being rampantly use by operators with unauthorized units. In order to address this problem, this Board hereby amends and modifies Memorandum Circular 2006-043, Re: TURN OVER AND SURRENDER OF YELLOW PLATES dated June 8, 2006, by directing all applicants/petitioners of dropping and substitution of units to surrender the plates upon filing of the application/petition. Those applicants/petitioners filing any form of petition/application involving dropping and substitution which requires notice and hearing, may surrender the for hire (yellow) plates of the units to be dropped at any time before the hearing, and presentation of Receipt of Return Plate is mandatory during the submission of the formal offer of exhibits/evidence and will form part of the same.

All issuances inconsistent herewith are hereby superseded and amended accordingly.

This Memorandum Circular shall take effect immediately.
