BOARD RESOLUTION NO. 065
Series of 2018

WHEREAS, on 17 November 2017, this Board has issued Memorandum Circular No. 2017-026 Re: IMPLEMENTING GUIDELINES FOR CALIBRATION AND SEALING/RESEALING OF TAXI METER FOR 2017 FARE ADJUSTMENT pursuant to the Decision of fare adjustment/increase issued on October 04, 2017;

WHEREAS, pursuant to the above MC, taxi operators were required to equip in their taxi units, prior to calibration and sealing/resealing, devices such as but not limited to GNSS receiver, Free Wi-Fi, CCTV and dashboard camera with continuous recording of the past 24 hours of operation and on-line digital platforms in compliance with PUV Modernization Program and Department Order No. 2017-011;

WHEREAS, after series of meetings conducted by this Board with taxi operators, it is agreed that only the on line digital platform for connecting their drivers with passengers/riders is required prior to calibration of existing authorized units. Taxi operators are, however, directed to execute Undertaking to comply with the installation of the other required gadgets two (2) months from the date of calibration of the unit;

WHEREAS, only those newly authorized through dropping and substitution of taxi units are required to have full compliance of the GNSS receiver, Free Wi-Fi, CCTV with continuous recording of the past 24 hours of operation and dashboard camera and on-line digital platforms, prior to calibration and sealing/resealing.

NOW THEREFORE, the Board resolves to allow calibration and sealing/resealing of existing authorized units in the Central Office and National Capital Region (NCR) without those other apparatus/gadgets ought to be installed on the taxi units and with only the on line digital platform for connecting their drivers with passengers/riders.

Failure or refusal to comply with the Undertaking stated above will be penalized in accordance with JAO No. 2014-01.

APPROVED AND SIGNED by the undersigned Chairman and Board Members, this 27 day of July 2018, Quezon City, Philippines.
