MEMORANDUM CIRCULAR
NUMBER 2019-003

SUBJECT: AMENDMENT TO MEMORANDUM CIRCULAR NO. 2011- 008

The Board on October 14, 1998 through Memorandum Circular No. 98-027 has required all dump/cargo trucks and other private vehicles rented out for a fee to apply for or secure franchises from this Board or its regional offices in order to legitimize their operation. Subsequently, on September 22, 2011, Memorandum Circular No. 2011-008 was issued exempting from the coverage of MC 98-027 certain Car Rental services and/or private vehicles rented out subject to the conditions therein stated.

In order to obviate the confusion as to the type of car rental services and/or private vehicles which are exempt from securing franchise, the Board limits the application of MC 2011-008 only to those private vehicles catering long term lease and exclude private vehicles classified as tourist transport services (which clientele vary from time to time), shuttle service, trucks for hire and school service which are explicitly required to secure franchise from the Board.

Now, therefore, the Board hereby amends and modify the conditions under MC No. 2011-008 to now read:

1. Private vehicles must be covered by a long- term lease contract of not **less than three (3) years** between the lessee and the car rental company/owner; and
2. The vehicle must be exclusively used and driven by the lessee or his/her authorized representative.

All other issuances which are inconsistent herewith are hereby modified accordingly or superseded/revoked.

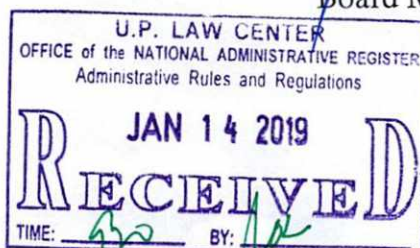

This Memorandum Circular shall take effect fifteen (15) days following the filing of three (3) copies thereof, with the UP Law Center, pursuant to Presidential Memorandum Circular No. 11, dated October 9, 1992.
