MEMORANDUM CIRCULAR
NUMBER 2020 - 011

**SUBJECT: MODIFICATION OF ROUTE ENDPOINT OF THE ROUTE BAGUIO
PLAZA – CRYSTAL CAVE (EXTENSION OF ROUTE)**

WHEREAS, commuters/passengers of Crystal Cave Operators and Drivers Association (CRYSCODA) filed a petition letter for extension of route of Crystal Cave Operators and Drivers Association dated 04 March 2015, for the reason that commuters walk more or less 500 meters going to Crystal Cave Terminal;

WHEREAS, pursuant to memorandum dated 30 September 2019 on the result of ocular inspection made by Engr. Elmer N. Mendoza, Jr., Transportation Regulation Officer I, RFRO-CAR, together with representatives from CRYSCODA, the request for an extension of route for Baguio Plaza – Crystal Cave to Purok 1 Asin Rd, Baguio City was favorably indorsed due to the following observations:

1. The proposed extension of route will cover a maximum of 700 meters from the end of their authorized route to the proposed turning point;
2. The proposed turning point has a wider space for maneuvering as compared to their present route end;
3. Be it extended, it shall bring closer to the rest of the commuters in the unserved portion which happens to be the end of the road; and
4. It will somehow decongest traffic in the present loading station which is a bit busier portion.

WHEREAS, an endorsement letter on the above ocular inspection report dated 02 December 2019 duly signed by the LTFRB RFRO-CAR OIC Regional Director Engr. Lalaine E. Sobremonte was sent to the office of Board Member Engr. Ronaldo F. Corpus, thru Mr. Joel J. Bolano, Chief, Technical Division, for appropriate action.

WHEREAS, the Technical Division recommended to the Board the extension of the above-mentioned route provided that existing operators have consolidated into a juridical entity duly accredited by the Office of Transportation Cooperative (OTC).

WHEREAS, during the 26th LTFRB Board Meeting held on 18 December 2019, based on the foregoing premises, the Board decided to grant the petition for extension of route of CRYSCODA (now BEMC);

NOW THEREFORE, this Board hereby approves to modify the route Baguio Plaza – Crystal Cave to **BAGUIO PLAZA, BAGUIO CITY – PUROK 1 ASIN RD, BAGUIO CITY via Crystal Cave.**

The Cooperative is hereby directed to file the necessary application for modification **30 days** from the effectivity of this Memorandum Circular at the Regional Franchising and Regulatory Office – Cordillera Administrative Region.

This Memorandum Circular shall take effect immediately following its publication in a newspaper of general circulation and the filing of three (3) copies hereof with the U.P. Law Center pursuant to Presidential Memorandum Circular No. 11 dated 09 October 1992.

SO ORDERED.

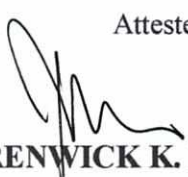

APPROVED and SIGNED by the undersigned chairman and members of the Board this 26 FEB 2020, Quezon City, Philippines.
