Department of Transportation and Communications
LAND TRANSPORTATION FRANCHISING AND REGULATORY BOARD
East Avenue, Quezon City

MEMORANDUM CIRCULAR
NUMBER 87-0006

SUBJECT: Guidelines On The Petition To
Register Units In Lieu Of New
Units Previously Authorized In
The Order/Decision.

The Board is aware that several petitions for registration of unit/s in lieu of new unit/s previously authorized in an order/decision have been piling up for the past months.

Considering the nature of the proceedings in disposing this kind of petitions, hardly any screening, processing or inspection could be done by the Board to determine the veracity of the petitions. Hence, the Board has to rely merely on the affidavit/s executed by the operator/s stating that a unit/s was/were not registered due to either one of the following reasons:

1. Non-delivery of the units by the car/motor company within the prescribed period.
2. The delivery of different unit/s by the car/motor company.
3. Carnap of the unit before its registration.
4. Sale of unit was not consummated.
5. Serious defect of the unit which is beyond repair.

To correct the laxity of procedure in the registration of unit/s in lieu of the previously authorized unit/s and in order to promote and protect public interest, the Board hereby promulgates the following guidelines:

No petition for registration of unit/s in lieu of the new unit/s previously authorized in the order/decision shall be accepted by the Receiving and Assessment Section or processed by the Technical and Evaluation Franchising Division unless the petition is supported by a Certification by the LTO Registering Agency that the unit/s

are hereby repealed or revoked.
