MEMORANDUM CIRCULAR NO : 88-0003

SUBJECT : Temporary Extension of the PU Minica Service

Upon consideration of the requests of many PU Minica operators for the extension of PU Minica service due to public need and in view of the scarcity and excessive high price of four (4) door sedan cars to replace PU Minica units which are already considered phased-out pursuant to M.C. No. 81-1020JC, the LTFRB hereby grants an extension until June 30, 1988 for said service to operate, provided the units are found to be roadworthy after inspection.

This Memorandum Circular shall take effect immediately.
