

MEMORANDUM CIRCULAR  
Number 2007-032

SUBJECT: MODIFICATION OF MEMORANDUM CIRCULAR  
2001-007 (Re: Confirmation of Units)

In relation to Memorandum Circular 2001-007 (Re: Confirmation of Units) important portion of which reads as follows:

“The Board has received reports that some operators, in defiance with the rules of the Board, would intentionally omit having their units confirmed by the LTFRB before registering the same with the Land Transportation Office. This creates havoc and chaos, and renders nugatory the transport plans and programs of the LTFRB and the DOTC as some units registered are not actually authorized under the franchise of the operators concerned. Such situation breeds an environment where “colorum” vehicles can thrive and multiply without control.

Accordingly, all public utility vehicle operators are hereby enjoined to have their units confirmed first by the LTFRB before registering the same with the Land Transportation Office. After proper notice and hearing, and if evidence warrants, any operator found to have violated this rule shall suffer the appropriate penalty provided for by law.”

With the objective of effective regulation and monitoring, this Board hereby resolves that in case the grantees/holders of Certificate of Public Convenience fail to confirm their authorized unit/s with this Board during the registration month and year of the unit/s concerned, the same shall be cancelled or revoked after observance of proper notice and hearing.

All other issuances or parts thereof which are inconsistent herewith, are therefore modified or superseded accordingly to conform with this new directive.
