- b) For sedan vehicles, the markings shall be painted at the rear hood portion with 2” x 1” (height and width) lettering size or printed with the use of stickers at the rear windshield of the units with 3” x 1” (height and width) lettering size.
- c) For jeepneys, the markings shall be painted at the right and left sides of the units with 3” x 1” (height and width) lettering size.

All operators are likewise required to keep a daily record of their drivers and the units that they drive for easy identification of erring drivers.

A thirty-day (30) period from effectivity hereof is given for compliance with this Circular. Any operator found violating this Circular shall be subject to a penalty in the amount of Five Hundred Pesos (Php 500.00) per single offense.
