Republic of the Philippines  
Department of Transportation & Communications  
**LAND TRANSPORTATION FRANCHISING & REGULATORY BOARD**

**MEMORANDUM CIRCULAR**  
No. 2006- 027

**SUBJECT: CONVERSION TO LPG FED ENGINE**

To encourage grantees of Certificate of Public Convenience to Operate Taxi Air-Conditioned Service to convert their engine to Liquefied Petroleum Gas (LPG) fed engine, taxi operators who shall have their engine converted shall be granted an additional two (2) years to the existing thirteen (13) years maximum age requirement for Taxi Services.

Be it noted that the additional two (2) years is not automatic but will be granted upon filing of a petition for Extension of Validity to be heard by the Board, alleging therein that it complied with this Memorandum Circular, and after inspection of the units by the Board.

This Memorandum Circular supersedes all other issuances inconsistent herewith, and takes effect immediately.

Quezon City, Philippines.

MAY 12 2006
